## BUILDING NEWS

A Suburban Home for \$2,250.

FIRST FLOOR

SECOND FLOOR

This cottage is of original design, and contains many pleasing features, both as to exterior and floor plans. The living room is erceptionally large, and the dining-room has a deep bay window, making it a very cheerful room. The kitchen and pantry are very conveniently located. Front porch runs along entire front of house. Rear porch from kitchen to grade.

The second floor contains four large bedrooms, with ample closet space, and a bathroom fitted with firstclass plumbing fixtures. Linen closet in hall,

Ceiling heights: Cellar, 7 feet; first floor, 9 feet; second floor, 8 feet 6 inches. The itemized cost of construction is here given:
